Statement of Purpose: The purpose of the Oklahoma Area Convention is to promote enthusiasm and unity within the fellowship of Cocaine Anonymous and to financially support the Oklahoma Area and the C.A. World Services' effort to carry the message to the addict that still suffers.

Statement of Anonymity: Anonymity is one of the most important issues in the structure of Cocaine Anonymous. Therefore, in observance of the Eleventh Tradition of Cocaine Anonymous: "Our public relations policy is based on attraction rather than promotion: we need always maintain personal anonymity at the level of press, radio, television and films." "We earnestly request that those gathered here honor this condition of anonymity. In keeping with our traditions, we request that no photographic or video recording of the convention be distributed, published, or downloaded in any general public forum including the internet and/or any other electronic communications network. We specifically request that members refrain from posting on any social networking site any convention photos or videos which identify any activity, entity or person as being associated with Cocaine Anonymous. If you should happen to recognize someone here who identifies themselves as an addict, please keep that knowledge strictly to yourself.
